# SUN RESORTS

## Please give us a glance into Sun Resorts.

Sun Resorts is part of the Sun Limited 'Hotel Management' Cluster, which owns and manages four hotels in Mauritius.

Located on the West coast of Mauritius are **Sugar Beach**, a plantation styled 5-star resort and **La Pirogue**, a 4-star resort inspired by the famous fishing boats of Mauritius. On the East coast of Mauritius is **Long Beach**, a bold, vibrant 5-star island chic resort and **Ambre**, one of the most appreciated 4-star all-inclusive, adult-only resorts, as well as **Ile aux Cerfs**; a leisure island with a championship golf course designed by Bernhard Langer.

Sun owns and operates the **Kanuhura Maldives**; a barefoot, luxury, private island and a member of the Leading Hotels of the World luxury collection.

## What makes Sun Resorts stand out from its MICE competitors?

We stand out because we have the experience, the passion to be creative, flexible and we do not provide just the space and resources, but the whole experience to turn events into a journey of discovery. From exceptional gastronomy to limitless land or sea activities, from modern-day technology to customised signature events, from picture-perfect views to our warm, charming island hospitality. Our biggest strength is our team and their mind-set that 'nothing is impossible!'

We have implemented essential tools to assist our MICE clients, including a dedicated MICE website: [www.sunmice.mu](http://www.sunmice.mu), to provide our clients with an easier way to search, learn or download MICE information, all in one place!

Amongst various top awards, our hotels have earned 'Trip Advisor Certificate of Excellence' in 2016, 'Best Hotel Group' at Les Victoires du Tourisme 2017 ceremony and Ile aux Cerfs Golf Club was recently nominated as the best international golf course by Golf Journal Travel Awards 2017. We also want to be the leading sustainable hospitality company in the region.

## What types of events can Sun Resorts deliver?

Events at Sun Resorts are a far cry from ordinary and we use our creative spaces, complemented by picture-perfect views to craft and customise events exactly how our clients want them. There are countless types of events but if we had to give some examples:

**'Spice Route' at Long Beach:** Set in an authentic atmosphere, under luminous stars, surrounded by dazzling lights and unique décor, the spice route will take you through a journey of discovery. A discovery of Mauritian cultural diversity, rich culinary cuisine, combined with warm, charming island hospitality.

**'Out of Africa' at Sugar Beach:** An authentic evening of African savannah set

under gigantic banyan trees and blazing campfires, surrounded by camp rangers, African tribal dancers and the sound of African drums. You will dine on a wide range of spit roasted deer, wild boars on open charcoal pits and other delights from the hunting Wolmar Estate and a rain forest party to dance the night away.

### 'Fisherman's Feast' at La Pirogue:

Feet in the sand, dinner is served in a traditional fishing village setting, featuring the finest, local, fresh 'catch of the day', prepared in front of you. Local folkloric musicians will entertain you throughout the evening, culminating with our life fire dance show, completed with local rums and fishermen's' stories enjoyed around the last embers of the bonfire.

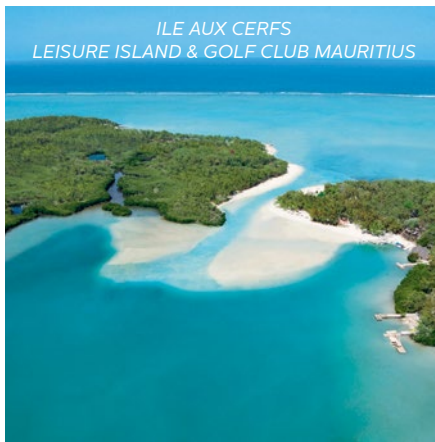

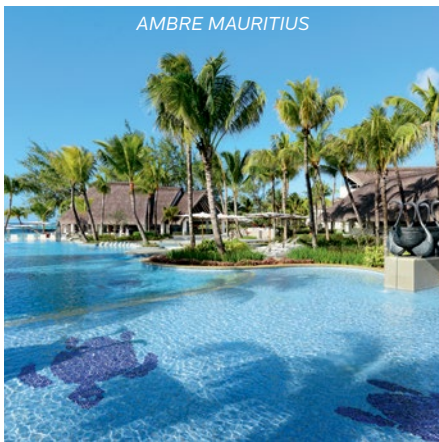

**'White Side of Life' at Ambre:** A night of sophistication and refinement at the heart of our white sandy beach, flooded with dazzling white décor. A celebration hosted in a white wonderland with charming waiters dressed in their brightest white attire, with a live band setting the right mood for a dazzling white evening to create memories to last for a lifetime. 🎵
